

The Rotary Club of Mumbai Ghatkopar West (RCMGW) was chartered on Dec. 5, 2018 and has just turned 4 years of age. This club in its character boasts robustness, enthusiasm and super energy levels when it comes to service for the community !

RCMGW takes pride in having been chartered by a woman charter president, Rtn. Tejaswini Rane.

The club has always been involved with multiple community service activities related to literacy, environmental protection, women, healthcare, youth and children. The club is always proactive to community challenges such as polio, health and basic amenities like water, education and health.

The growth of RCMGW has been healthy and steady. The membership is cultured and includes families with empathy and ethics. it has always upheld and stood up to the Rotary ideals and embodies in its conscience the Rotary four way test.

RCMGW is a cosmopolitan club, both professionally and linguistically. It draws professionals from various fields like Medicine, Accountancy, Audit, Law, Software, Information Technology, Education and Academics, Agriculture, Management, Pharma, Jewellery & Logistics. As of date, we have 37 dedicated members.

RCMGW is always available for community's genuine needs and has also been working towards long term and sustainable projects , during current year 22-23 year club did multiple projects for LGBT community , persons with disabilities, science competition for school children, providing active support in red light areas, initiation of two Blood storage banks in central and western suburbs to ensure accessibility and availability of blood for community , Club had adopted few schools in the hutment areas and provided digital learning equipment's which has brought immense motivation to the children.
